hooking up with connections with Darryl and work with AZHPE

Scott meeting with state legislators and Pam Klun senator Megee open to the pitch Scott made for money.

Scott had a meeting with access the state medicaid system to maintain the efforts to improve physical education in the state.

Add point to the a-f points so they get some resources from the point and they get funding

getting the funding to roll out the funding to allow the fitness money for fitness and professional development

2012-2015 empower health program

to how to get classroom teachers activity breaks and getting the school lunch to help integrate as a whole program.

Final goal is to help restore physical education back into the schools

Senator Magee feels it will be able to continue funding.

goal is to get sustain funding

a-f assessments will work in any system the goal is to get it valued by the principles and districts to value health and physical education but it's about the financial funding

Funding: how do we make sure the monies to where we want the money to go and how it is disturbed, talks of AZHPE, Dept ed, access could be the stockholders to make sure the funding is distributed correctly. we don't know when the final outcome comes out hoping for 5 year but may take a longer to get the final outcome.

Committee Reports

Our goal is to have digital reports ahead of time so that we can maximize our question and discussion time. Report forms on the Binder.

Binder: www.azhpe.org/binder (no password needed)

- Special Projects
- no report in transition

Carol Wolbert

- Best Practices
- have a report brainstorming what direction she wants to go
-
- workshop for back to school would be valuable
- help teachers get a jump start for their classroom and support from colleges
- create more enthusiasm for physical education in the greater community from a intellectual point
- provide resources
- be able to push in some video serres the research and the benefits so teachers and use them with our principle and colleges
- also videos that would be used with kids to get them excited.
-

Anne Knight

- Advocacy
- would like to have pe teachers share AZHPE and Shape America out to their colleges
- Paul Z wants to put it on a blog can start a advocacy twitter page

Jennifer Houston

- Partnership
- Heather and I wanted to Dyrral because he is a gold mine
- going to form a close relations with Dyrral

Lee Schutt

- ❑ might want to bring Dyrral in as a outside board member he has the contact for the 12% slush fund from the tribes
- ❑ Matt asked Hans about having a outside board member how that works
- ❑ in a discussion most boards of directors are made of people outside of the fields and the advisory board is made of members in the field
- ❑ he brought it up that we should think about connecting people that are marketing, budgeting
- ❑ how big does the board need to be. What would his position be on the board
- ❑ tightly defined of the job description
- ❑ Scott proposed how funding to manage incoming funing
- ❑
- ❑ past presidents become the adversity boards meet with executive board ones or twice a year

Morgan Vandewall top executive of marketing in phoenix to give us feedback waiting for her feedback.

Hans create defined the responsibilities

- ❑ Public Relations Klint Van Cleemput
- ❑ trying to get feet wet and the role, what do we want to see happen with public relations and connected with facebook and twitter do we want to try a different platform.
- ❑ monthly review on a topic

promote teachers in AZ on the news. Ideal spotlight a teacher or Board member to push AZ Physical Education.

Hans videos would urge that we have a definition of best practice and what makes stuff good/bad

- ❑ Marketing no report Cedric Collins

- ❑ Membership Kayla Warren
- ❑ 2300 pe teacher in the state from Keri numbers
- ❑ they don't feel there is secondary information, they have to pay for them self
- ❑ how to boost membership increase memberships fees so that we can allow more discounts 10 to 15\$ increase and offer a bundle or if you sign a admin at no cost and you would stay at the current rate
- ❑ spring drive to sign up before summer break

- bring a admin to convention would get a free 1 yr membership
- Matt said our membership is moving in the right direction
- 249 brand new members in 2018 nad we had no laps membership this year
- paid membership we can cover a lot of of our events
- our goal is to make sure we are not getting less the 700
- 60 azhpe members are HS teachers

we are finally a 501 3c

the difference 350 dollars to do our taxes

we pay a CPA 750 to do out taxes we cut our expenses

we are still affiliated with SHAPE. We are financially in shape

corporate board is managing the financial duties as a team until we get the information from the cpa.

The recommendation will be that

the goal would to be have a bookkeeper that will be doing the quickbooks only.

currently no funding but would hope to often a stipend in the future.

June the 1st to May of 31 is our fiscal year \$18594.59
we are ahead .

Discussions and Discussion Items Notes

Using Google/Gmail

501 3c we are not paying \$110.00 dollars for our email we have unlimited emails
committees can have one it has to go through azhpe email

100-150 per bay for moonlite golf

sponsor Clint and Ellen A. sending flyer

- Use azhpe email only to send out official information.

Moonlight Golf 3hr golf, food,

- Cost \$55 dollars can be a tax write off
- Sponsors
- 42 people for food we can go to 30 then the cost would be much higher if we have to pay on the spot.
-

Future Professionals paid for the lunch but feel like it was not a waste of money
so future discussion to use the money send them to a leadership conference
have maybe a pizza gathering but not actually a lunch

Open Workshop - ASU Polytechnic Campus Feb. 2nd

Brian Devor will be present but tore his bicep

have to be a member a \$10 fee for benefits to equipment.
